

RICHES OF ALSACE

Hearty cuisine...ancient traditions...crossroads of Europe

7 Days from \$1799*

Alsace is a region rich in culture and traditions blending the cultures of both Germany and France...the countryside is filled with a succession of medieval villages sprinkled with 16th & 17th century multicolored half-timbered houses, cobblestone streets and medieval castles with well-preserved ramparts...meander through its scenic countryside between villages and castles... enjoy a glass of wine amid the famous Alsatian vineyards and savor its gastronomy famous for foie gras, wines, and chocolates ...start your journey in Strasbourg, the intellectual, cultural and economic capital of Alsace...tour its great collection of museums and don't miss the impressive gothic Cathedral or the attractive Petite France area...head to the countryside where all along the wine route you will discover charming villages such as Molsheim, Obernai, Eguisheim, Riquewihr, and Ribeauvillé...discover the historic quarters of Colmar, the wine capital of Alsace, with numerous churches and five museums...end your tour in Rouffach, a beautiful old town with a subtle Renaissance atmosphere.
